Spring is finally here! With the weather getting warmer and the garden beginning to grow, we start to find a new sense of renewal. As we plunge into all the excitement that Spring has to offer, please remember to encourage your Rising Star to stay focused and motivated so we can finish the school year shining brighter than ever!

Our St. Patrick's Day bowling fundraiser was a great success. We had a huge turnout of students, families, and staff. Thank you to everyone who attended and donated.

During the month of April students will begin to clean up the garden. If students wish to not get their shoes or clothes dirty, we recommend they bring in an old pair of shoes and extra clothes to keep in their locker to change into when it's time to go into the garden.

If you have any questions or concerns, please feel free to call the school or email me at ebregier@rsaonline.org.

Ms. Maureen's Classroom

Highlights: Job skill focus included CBI trips to 'Michigan Works!' in Macomb County to learn about career exploration/preparation services/resources that are available as well as to United Parcel Service to learn about customer service job skill sets including how to become a notary as well as services offered. Classroom focus included role playing customer service and cashier skills. We tapped into our creativity with role playing as jewelry design entrepreneurs with designing a piece of jewelry, selecting a company name, assigning it a cost. Some "designers" were economical and some were extravagant! Life skills included going to Walmart and Meijer and doing cost comparisons for first aid items/kits. Learning how to use a calendar on a daily basis for planning was highlighted by recording events/activities ongoing for the month. Practicing reading a map and researching important/fun facts for cities gave us a sense of places we might like to travel to. Visiting the library allowed us to identify and learn more about women in history.

Ms. Heather's Classroom

Ms. Heather's class has been working on planting again! We have also been working on crafts made with our Glowforge and decorated by our students for the store! Mosaics are coming along in our Friday elective. We also started going over small engine repairs and learning about how to change the oil.

Ms. Heather's Classroom

Ms. Sarah's Classroom

The students made knot fleece blankets. They measured and cut the blankets so they were the same size. They pinned them together and then cut the small sections that they then tied together!

Ms. Maria's Classroom

Students in Ms. Maria's class have been making bread and pretzels. Students work together to combine the ingredients, knead the dough, shape it, and cook it. They have really enjoyed expanding their knowledge in the kitchen.

RSA BOWLING FUNDRAISER HIGHLIGHTS

On Sunday, March 17, Rising Stars Academy hosted their annual bowling fundraiser. Fun was had by all! Below are pictures from the event. We would like to thank students, families, staff, and sponsors for their support to make this event a success each year.

Annual Spring Egg Hunt

Our fuzzy friend arrives a bit early this year, so we want to make sure it's a tad bit warmer out for our annual egg hunt! This event will be held at Huron Park ball fields, located at Frazho and Kelly. Participants ages 2-10 can hunt for eggs and candy in separate age divisions. New this year we will have an adaptive area for all ages! In case of inclement weather, this event will be held at the Recreation Authority Center. Bring your camera for pictures with our "Special Guest"!
